Managing people	<ul style="list-style-type: none"> • Mentor colleagues with less experience and advise on personal development • Depending on the area of work, could be expected to oversee and support the work of others e.g. as course leader, cohort leader or module leader • Co-ordinate the work of others to ensure modules are delivered to the standards required
Teamwork	<ul style="list-style-type: none"> • Act as a responsible team member, leading where agreed, and develop productive working relationships with other members of staff • Co-ordinate the work of colleagues to identify and respond to students' need • Participate in peer review process
Pastoral care	<ul style="list-style-type: none"> • Act as a module tutor or personal tutor • Be responsible for the pastoral care of students within a specified area
Initiative, problem solving and decision making	<ul style="list-style-type: none"> • Identify the need for developing the content or structure of modules with colleagues and make proposals on how this should be achieved • Develop ideas for generating income and promoting the subject • Develop ideas and find ways of disseminating and applying the result of scholarship • Sole responsibility for the design and delivery of own modules and assessment methods • Collaborate with colleagues on the implementation of assessment procedures • Advise others on strategic issues such as student recruitment and marketing • Contribute to the accreditation of courses and quality assurance processes • Tackle issues affecting the quality of delivery within scope of own level of responsibility, referring more serious matters to others, as appropriate
Planning and managing resources	<ul style="list-style-type: none"> • As module, cohort or course leader or tutor, co-ordinate with others (such as support staff or academic colleagues) to ensure student needs and expectations are met

	<ul style="list-style-type: none"> • Manage projects relating to own area of work and the organisation of external activities such as placements and field trips • Be responsible for administrative duties in areas such as admissions, time-tabling, examinations, assessment of progress and student attendance • Involvement in recruitment activity, publicity and international activity • May plan and manage own consultancy assignments • May participate in the evaluation, review and revision of courses on an annual basis (AER)
Sensory, physical and emotional demands	<ul style="list-style-type: none"> • Balance the pressures of teaching and administrative demands and competing deadlines
Work environment	<ul style="list-style-type: none"> • Depending on area of work and level of training received, may be expected to conduct, document and follow as appropriate risk assessment and take responsibility for the health and safety of others (e.g. students on field trips, during clinical practice)
Expertise	<ul style="list-style-type: none"> • Possess sufficient breadth or depth of specialist knowledge in the discipline to develop teaching programmes and the provision of learning support • Use a range of delivery techniques to enthuse and engage students

Other Information

It is a condition of employment that all academic staff are either already accredited by the Higher Education Academy to meet standard two of the National Framework of professional standards for teaching and supporting learning or complete such accreditation within 3 (full-time) years of commencement.

Where relevant, an acceptable Enhanced Disclosure via the Disclosure and Barring Service is required prior to confirmation of appointment offer (successful candidate only).

On occasions and in line with operational needs you will be required to:

- work different hours including at weekends/evenings;
- travel to other campuses and sites as necessary.

In addition to the main duties listed above, you will be required to perform other duties, which are assigned from time to time. However, such other duties will be reasonable and in relation to the grade.

It is the University's intention that this job description is seen as a guide to the major areas and duties for which the post holder is accountable. However, the business will change and your obligations will vary and develop. This job description should be seen as a guide and not as a permanent, definitive and exhaustive statement.
