# **Other Information:**

It is a condition of employment that all academic staff are either already accredited by Advance HE as a Fellow against Descriptor 2 of the National Framework of professional standards for teaching and supporting learning or complete such accreditation within 3 (full-time) years of commencement.

Where relevant, an acceptable Enhanced Disclosure via the Disclosure and Barring Service is required prior to confirmation of appointment offer (successful candidate only).

On occasions and in line with operational needs you will be required to:

- work different hours including at weekends/evenings;
- travel to other campuses and sites as necessary.

In addition to the main duties listed above, you will be required to perform other duties, which are assigned from time to time. However, such other duties will be reasonable and in relation to the grade.

It is the University's intention that this job description is seen as a guide to the major areas and duties for which the post holder is accountable. However, the business will change and your obligations will vary and develop. This job description should be seen as a guide and not as a permanent, definitive and exhaustive statement.

### **Our Values:**

At the University of Cumbria, our values shape the way we work, our culture and environment.

#### We are PERSONAL

Individuals are at the heart of what we do, and our culture of belonging recognises and supports every person. As an institution, we have mutual respect for those we work with and for and we care about understanding each other's challenges and helping one another to thrive.

#### We are PROGRESSIVE

As a university we have a determination to deliver our mission, which keeps us open to opportunities in front of us. We encourage thoughtful and inspirational ideas, and we tackle problems proactively, with optimism, creativity and courage.

#### We are ENGAGED

As stewards of knowledge and place, it is our privilege to champion the region and advocate for the value of education. The University of Cumbria is welcoming to different perspectives, expertise and experiences and we are committed to building and nurturing strong links with our communities.

## **Providing an Inclusive Environment:**

The University of Cumbria is committed to providing an inclusive environment, where staff, students and visitors are encouraged to be their true self, in order to enhance the individual and collective experience. As a university community, we share the social responsibility of enabling this inclusive environment by valuing, respecting and celebrating differences, to ensure that we generate a sense of understanding and belonging.

The university recognises that our differences are our strength, seeking and valuing different perspectives and ideas, in an environment that is without prejudice and bias.

We are committed to embracing our responsibility as a facilitator of change and continue to develop our equality agenda in line with and, where appropriate, beyond the Equality Act 2010. We do not tolerate discrimination, bullying or harassment in any form on the grounds of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, or sexual orientation.

## **Health & Safety Statement**

All employees at the University of Cumbria are required to ensure that all duties and responsibilities are discharged in accordance with the University's Health and Safety at Work policy. They should take reasonable care for their own health and safety and that of others who may be affected by what they do or do not do. Employees should correctly use work items provided by the University, including personal protective equipment in accordance with training or instructions.
